Travel & Luggage

Thule Aion

Thule Aion combines versatile design and durable, recycled materials to help you seamlessly transition from everyday life to faraway adventures.

Modular and multifunctional

Every piece in the Thule Aion collection has versatile design that lets you use one bag for a variety of activities, or combine bags to utilize new functions.

PFC-free water-resistant coating

Thule Aion's waxed canvas is free from toxic PFCs and keeps belongings dry in bad weather. This durable fabric develops a patina that looks even better as it ages.

Made of recycled materials

All Thule Aion bags are made of recycled materials. They're also bluesign® certified, a strict criteria that ensures the protection of workers, consumers, and the environment.

Thule Aion

check-in wheeled duffel bag 70cm/28" black

The Thule Aion wheeled duffel bag is a durable, water-resistant, and versatile suitcase to take with you around the world.

Large wet/dirty storage pocket

Large coated storage pocket allows you to store gym clothes or a bathing suit without moisture or dirt spreading to the rest of the bag

Smooth and easy transport

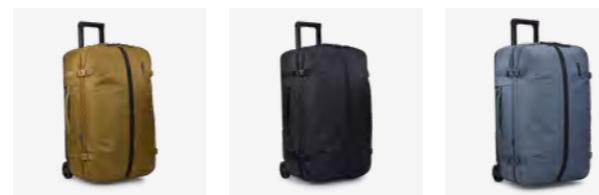

Tough, oversized wheels and the V-tubing telescoping handles glide with ease on any terrain

Built to last

Bag design absorbs the impact of travel with its durable, molded polycarbonate back panel

Thule Chasm

Thule Chasm is our iconic collection of durable, weather-resistant bags designed for rigorous adventures in the outdoors, now made with 100% recycled exterior and interior fabrics.

Durable luggage for wild adventures

Built to perform, every bag is constructed from a durable 900D fabric with a PFC-free durable water-repellent finish to withstand the wear and tear of your adventures.

Versatility for any exploration

No matter how you're traveling, versatile features like removable backpack straps, wide mouth openings, and oversized grab handles, make these bags perfect for all kinds of journeys.

PFC-free, recycled materials

All the exterior and interior fabrics, webbings, and mesh are made with 100% recycled materials. The water-resistant coating is also free from environmentally harmful PFCs.

Thule Chasm gear haulers

Thule Chasm gear haulers – built for the journey, ready for any adventure.

The semi-rigid design holds its shape yet fits snugly in tight spaces. Soft sides and wide openings make packing easy, while the magnetic, zippered lid adds versatile access.

A waterproof molded base keeps wet gear contained and your car clean. The durable, water-resistant fabric wipes down easily and stands up to tough use.

Removable dividers and pockets let you tailor the space to any trip. From garage to car to campsite, Thule Chasm haulers keep your gear in order.

Thule Chasm

gear tote 30L deep khaki

A durable, everyday tote designed for all sorts of gear and adventures. Whether you're heading to the car, campsite, or just around town, this tote makes carrying and organizing easy.

Smart, structured design

Semi-rigid structure holds shape for easy loading and gear access

Waterproof protection

Molded base is waterproof, containing wet, messy items on the inside or protecting contents in wet environments

Stay organized

Zippered exterior pocket and convenient interior pocketing keep smaller items easy to locate

Thule Subterra 2

sling bag 3L black

The Thule Subterra 2 Sling is an adaptable bag that can be used alone to bring your essentials, combined with other bags on your travels, or used as a packing cube inside a larger bag.

Multiple modes of use

Stowable strap allows sling to be worn comfortably over the shoulder as a crossbody bag or converted into a packing cube inside a larger bag

Thoughtful interior organization

Main zippered compartment includes durable Nylex padded slip pockets to help organize and protect your essential items, integrated key leash, and PowerPocket for charging while on the go

Keep important items secure

Back panel security pocket keeps vital items like a passport or wallet protected against your body

Thule EnRoute

From commutes to weekend getaways, city streets to outdoor trails, the Thule EnRoute Collection is designed for those who want a sporty, durable, and stylish bag that adapts to their lifestyle. Thoughtful organization, premium materials, and smart design make everyday carry effortless.

A sporty and versatile collection

With backpacks and bags designed for daily commutes, weekend outings, and light adventures the Thule EnRoute collection is great for every day life.

New silhouettes

A small backpack, a sling and a water bottle holder that provide organization for and complement everyday activities.

Bluesign product

Durable construction, crafted with bluesign® approved materials, featuring a PFC-free, water-resistant coating to protect against light rain and spills. Reinforced YKK zippers and sturdy stitching ensure long-term durability, while reflective details provide extra safety when commuting in low-light conditions.

Thule EnRoute

Thule Paramount

Style meets function for your on-the-go lifestyle

Ride your bike one day, take a train the next – this backpack helps you take on the city with a wide range of convenient features. When you're on the go, easily access items in the main compartment from the top or side openings or place your jacket or bike lock in the expandable front shove-it pockets. The rolltop closure expands to provide more packing space and protect your belongings from the elements. At night, the bike light loop and reflective details keep you visible.

Thule Paramount

laptop backpack 24L black

This Thule Paramount 24L backpack has a stylish, modern look with the functionality and comfort you need to get around town with ease.

Safely store your laptop

Padded pocket protects up to 16" laptop

Multiple ways to access the main compartment

Easy access to your laptop or the main compartment thanks to the access through the back zipper, rolltop closure or side zipper

Rolltop closure

Rolltop closure secures belongings and provides expansion when needed

Thule AllTrail

We've taken the best of our outdoor know-how to bring you a versatile daypack collection that can do it all wherever you go – out on the trail, in town, or on your travels.

Daypacks for the trail, travel, and town
The combination of high-performance features and clean, sophisticated design is great for active weekend excursions and everyday life.

ReTrakt™ hydration system
All the Thule AllTrail hydration models have a built-in reservoir that uses the patented Retrakt™ system, a hose that lets you have a drink and then automatically snaps back into place thanks to a magnetic design.

bluesign® certified
Every bag in this collection is bluesign® certified, a strict international criteria that ensures the protection of workers, consumers, and the environment.

Thule AllTrail

hydration pack 10L pond blue

We've taken the best of our outdoor know-how to bring you a versatile 10L daypack that can do it all wherever you go – out on the trail, in town, or on your travels.

2.5L Patented ReTrakt™ hydration system

Hydration hose includes our patented magnetic system that snaps it back into place on the shoulder strap after you drink – easy to access when you need it and out of the way when you don't

10L capacity and streamlined design

Streamlined enough for a short ride, but large enough to carry extra food, supplies, and bulky items

Thule Paramount

Our latest generation of the Thule Paramount collection has a stylish, modern look that's distinctly Thule, with the functionality and comfort you need to get around town with ease.

A bag that complements your style

With a modern look that is distinctly Thule, the bags' modern styling and rich, earth-tone colors are ready for a business casual workday, or a meetup with friends after work.

Versatile features on the outside, thoughtful storage on the inside

Thanks to the versatile exterior compartments, urban commuters can easily store a metro card in the shoulder strap pocket, a wallet in the hidden security pocket, a bike light or helmet on the strap loops.

Versatile features, thoughtful storage

The versatile exterior compartments allow urban commuters to store a metro card in the shoulder strap pocket, a wallet in the hidden security pocket, and more!

Thule Paramount

bike commute backpack black 20L

The Thule Paramount bike commute backpack is the optimal commuter backpack with a stylish, modern look and the functionality and comfort you need to get around town safely and with ease.

Durable and water-resistant

Premium YKK zippers, sturdy 420D nylon fabric, water-resistant finish free from PFCs (chemicals that can be harmful to the environment) and coated base material on the bottom of the bag all provide extra layers of durability and protection that stand up to everyday use

Adjustable fit for a wide range of bodies

Adjustable harness optimizes fit for wider range of body types, ensuring most comfortable ride

Thule Chasm bike bags with InLock system

Designed for cyclists who demand both durability and flexibility, Thule Chasm bike bags are built for life on and off the bike. Whether you're commuting, grocery shopping, or heading out for an adventure, these bags combine rugged materials with functional design. Water-resistant fabrics, easy-to-carry designs, and smart storage solutions ensure that your gear stays protected and organized wherever the road takes you.

Designed for seamless bike-to-life mobility

Handles, straps, and sleek silhouettes make these bags easy to carry and use on and off the bike—perfect for an active, everyday lifestyle.

Integrated InLock system for secure, rattle-free riding

The InLock system clicks bags into place for a quiet ride, while the quick-release tab makes detaching fast and intuitive.

Durable, weather-resistant designs for everyday adventure

Rugged materials and coated fabrics protect your gear from weather and wear—ideal for daily rides and unexpected adventures.

Thule Chasm
